

June 2009

In an attempt to entice more archers outdoors and shooting longer distances, Petras has organised some shoots (once a month) involving 80yds. Please check the notice board at the club for more information.

The weather has been mixed lately, but hopefully the recent sun is here to stay. However, this being Great Britain, I wouldn't count on it. Make the most of it while it lasts!

Middlesex County Outdoor Championships 2009

This was held on Sunday 24th May, and we were represented by a small team, each returning with at least two awards! JonP came 2nd in the Gents Recurve (York), Jill Moore and Mati Lang came 2nd and 3rd respectively in the Ladies Recurve (Hereford), and John Williams came 1st in the Junior Boys U18 Recurve (Bristol I). The Bowmen of Harrow team, comprising Jon, Jill, Mati and Jenny won the Recurve Team Trophy, Jenny and Adrian won the Married Couples Trophy, and John won the Ryder Dickinson Shield for the Highest Middlesex Junior.

Well done to all. Hopefully next year we'll have a bigger turn out.

Aquarius Albion, Good Friday, April 10th

3 archers from Harrow competed at the Annual Good Friday Albion at Aquarius Archers. JonP came 2nd in the gents recurve, and Mati and Jenny came 2nd and 3rd respectively in the ladies recurve division.

Short Metric League

Our first match against Pinner was relocated from Tithe Farm to a school field in Bushey. The weather was awful – very windy, with intermittent drizzle (at least it wasn't proper rain!) However, a good turn out from Harrow made sure it wasn't all in vain. We won both the made score and the handicapped score, much to everyone's delight, as we don't often win on handicap. Thanks to Petras for doing the numbers. Results are up at the club.
